

SERIOUSLY MOBILE

Ness iComms

Search the iTunes App Store for Ness iComms. Requires an optional ethernet adapter. iPhone/iPad not included

Mobile Control for your D8x/D16x panels

NESS iCOMMS app for mobile control of your D8x/D16x control panel from home, office, anywhere in the world using your iPhone/iPad.

- Arm, Disarm
- View zone status
- Emergency alarms
- Control the panel outputs (D8x/D16x V7.8+)

REQUIREMENTS:

D8x/D16x V5.6 or later (V7.8 or later to operate panel outputs).

Optional 101-244 Ethernet adapter, 450-185 RS232 cable.

iPhone/iPad not included. Search the Apple App Store for "Ness iComms".

iComms is a third party product which is endorsed by Ness without tech support.

Emergency alarms must be enabled in the control panel to be available in iComms.
